

TIMBER WORKBENCHES

TIMBER WORKBENCHES

A robust and durable workbench constructed to a very high standard. A large choice of sizes, worktop options and accessories available make it ideal for a range of applications. Protective hardwood feet supplied as standard on all benches. Build your own workbench by using the basic flat-topped bench, with the choice of three work surface options and any combination of the accessories below. Finished with 2 coats of clear lacquer.

QUALITY

High quality timber workbenches constructed in medium, heavy & extra heavy duty form, from selected softwood and kiln dried hardwood with timber or steel framework.

STANDARD OR BESPOKE

All 3 timber workbenches are available in various standard sizes. Custom building to own requirements is also available.

FINISH

Finished in a clear lacquer, other finishes available on request. Any steel work finished in grey RAL 7031 as standard.
